

PIANC MMX – PIANC 32nd Congress – Liverpool 2010

Descriptions of Evening Entertainment

Monday 10th May 2010

Congress Welcome Reception

A welcome to the Congress with a buffet and musical entertainment from the Beatles tribute band, The Blue Meanies.

The Blue Meanies are different; they do a fantastic job of representing The Beatles from the early Cavern days right through to Abbey Road, with unmatched authenticity. Like the original fab four, they are Liverpool lads born and bred. They have built up a large and international fanbase and a reputation for playing the Beatles back catalogue the way it was always intended to be; LIVE LOUD and FLAWLESSLEY!

Congress Banquet at Liverpool Cathedral

Liverpool Cathedral dominates the skyline for miles around, built as a visible witness to God. Inside this awesome building you can see the beauty of its arts and architecture; it certainly is a jewel in the crown built by the people for the people.

The Cathedral has got the highest gothic arches and the heaviest peal of Church bells known to man. It is the largest Anglican Cathedral in Europe, the fifth largest in the World.
